Preferred Stream

Humanities

Science

Commerce

Note:

"START" intends this course to be a foundation programme to prepare students for entry into the Civil Services and other emerging careers. These professions require strong skills in communication and outstanding conceptual and analytical abilities. Students from the Humanities/Commerce/Science streams who dream of such careers will find the course particularly useful because of its emphasis on English language learning, general knowledge, logical reasoning, basic maths, and personality development.

Preferred Careers (List up to 3 choices)

1. _____
2. _____
3. _____

Declaration

I hereby declare that the information provided is true and correct to the best of my knowledge. I understand that this course serves as a foundation program for entry into Civil Services and other professional careers, focusing on English language learning, general knowledge, logical reasoning, basic maths, and personality development.
